

Artique & Carbon Neutral Range:

Artique in 2010 have committed to fund the planting of 1,000 native trees in Australia to offset part of the company's carbon footprint.

Part proceeds from the sale of our entertainers bamboo and ceramic serving ware range will go directly to Carbon Neutral Australia where they will use the money to plant 1,000 native trees.

Who is Carbon Neutral?

Carbon Neutral is a not for profit company working with organisations to measure, reduce and offset greenhouse gas emissions and support revegetation projects.

Started in 2001 by Men of the Trees, Carbon Neutral services include a Four Step Carbon Reduction Programme, carbon calculators and information on climate change, provision of carbon offsets, carbon sink establishment and revegetation projects.

To date Carbon Neutral has planted over 2 million trees in Australia.

Carbon Neutral's commitment:

- All trees planted for Carbon Neutral will be monitored.
- 10% of plantings are reserved as insurance against failures.
- Only native local species are planted.

Where will the trees be planted?

The native trees will be planted largely in Western Australia and parts of South Australia.

The donation:

Artique has committed to fund the planting of at least 1,000 native trees in Australia along with the intention to plant more trees through future range releases.
